The Magistrate Judge has entered a Report and Recommendation (Doc. No. 12) in this Social Security appeal recommending that this action be dismissed without prejudice. No objections have been filed. Having considered the record *de novo*, the Court agrees with the recommended disposition because Plaintiff has failed to comply with this Court’s May 29, 2018 Order (Doc. No. 6) that required him to file “an amended complaint in which he completely responds to the questions on the form provided, to the best of his ability.” (Id.)

IT IS SO ORDERED.
